Calsonic Kansei Corporation

Calsonic Kansei Issued its All-new Company Profile Brochure and Corporate Video

SAITAMA, Japan – October 7th 2014 - Calsonic Kansei Corporation (CK) has fully revised and updated its company profile brochure, “*Company Profile*”. CK has also developed its corporate video, which introduces its activities and helps all people to know more about the company.

Based on the key message, “*We are dedicated to Monozukuri, to provide users with a safe and comfortable car life*”, the brochure explains CK group’s future direction, and describes its activities, which the employees are working on with their passions for Monozukuri, including the research & development activities, the actions to create sustainable society, and the approaches to support various work styles.

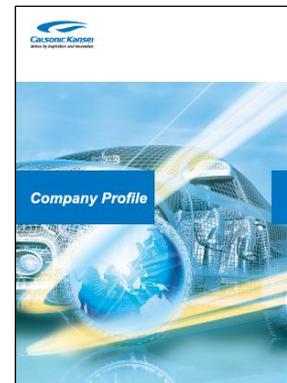

Please access to the following addresses for Company Profile and Corporate Video.
