Calsonic Kansei Corporation

## Release of CSR “2015 Sustainability Report”

Calsonic Kansei Corporation (President & CEO: Hiroshi Moriya; Headquarters: Kita-ku, Saitama-city) has released its 2015 Sustainability Report with the aim of informing its stakeholders about the company’s CSR activities. It has released the report via the company’s website.

Calsonic Kansei has positioned fiscal 2015 as “The First Year of CSR,” is reorganizing CSR systems within the company and promoting the disclosure of information to enhance reciprocal communication with all stakeholders. The Sustainability Report outlines Calsonic Kansei’s corporate philosophy and policies regarding CSR and introduces the company’s activities to address social issues including environmental issues and climate change. Furthermore, it describes the specific targets and level of achievement of those activities.

The company’s Sustainability Report will only be available via the company website, where it will be possible to download each section separately as a PDF file.

Regarding the Environmental Report which the company has produced in the past, from fiscal 2015 on this information will be incorporated into the Sustainability Report.
