Calsonic Kansei Corporation

Calsonic Kansei Opens a New R&D Center in the U.K.

Calsonic Kansei Corporation (President & CEO: Hiroshi Moriya; Headquarters: Kita-ku, Saitama-city) today announces that it has established a new research and development center in Millbrook, Bedfordshire, in the U.K. Operations are set to commence at the center in the middle of April 2016.

The newly established center will carry out research and development with the aim of expanding business with the U.K.'s leading automobile parts manufacturers. Going forward, the center is expected to provide impetus for the growth and expansion of Calsonic Kansei's European business.

Overview of the New Center

Name: CTC-EU MB

Location: Calsonic Kansei, Building J, Millbrook, Bedford, MK45 2JQ, United Kingdom

Area: 709 m²

Number of employees: approx. 40

Start of Operations: mid-April 2016 (scheduled)
